from our cellar: domaine leflaive

“Domaine Leflaive is the most famous estate in Puligny-Montrachet. Anne-Claude Leflaive became co-gérant of this famous Puligny domaine in 1990 – she had long believed that the use of fertilisers and herbicides was doing serious long-term damage to the soil in Burgundy and one of her first innovations was to move towards an organic approach to her vineyards.

After seven years of experiments, with one third of the domaine biodynamic and two thirds organic, the whole domaine was converted to biodynamic farming in 1997, following in the footsteps of Lalou Bize-Leroy and Nicolas Joly. The wines are aged for 12 months in 25% new oak and are then transferred to steel tanks where they are allowed to clarify naturally over the second winter. They are then fined and bottled. Leflaive produces superb wines that combine richness and depth of fruit with elegance, refinement and perfect balance.”

from our cellar: domaine dujac

"Domaine Dujac in Burgundy was acquired by Jacques Seysses in 1967. The domaine in Morey-St-Denis had 4 hectares of vineyards and he has subsequently built it up to 11.5 hectares. Domaine Dujac now includes holdings in Clos de la Roche, Clos St-Denis, Bonnes-Mares, Echézeaux and Charmes-Chambertin. 'Use knowledge and technology to counter accidents – for example, bad weather – but, if all is going well, don't interfere,' says Seysses and this principle guides much of what happens in the vineyards and the cellars. Dujac wines are neither filtered nor fined and all of his premiers and grands crus are aged in 100% new oak. These are wines of the very highest order.

Dujac wines are not necessarily the deepest in colour but are noted for their exceptional fragrance, structure and longevity. With seven grands crus in the stable, Dujac is today one of Burgundy's leading domaines."
